You are such an inspiring girl and we want to thank you for joining us at Festival of The Girl.

The future is yours.

Happy International Day of The Girl!

This journal is where I can

...write my stories, my ideas and my questions.

...draw, paint or colour my creations.

...bring my hopes and dreams to life.

...create my future.

This journal is for my eyes only, unless I choose to share it.

Think about the things you might want to be doing when you are 5, 10, or maybe 15 years older than you are now.

What will you be excited by? What job would you like to have?
What will you spend your free time doing? Where might you live?
What will a typical day be like? What will be the best bits?

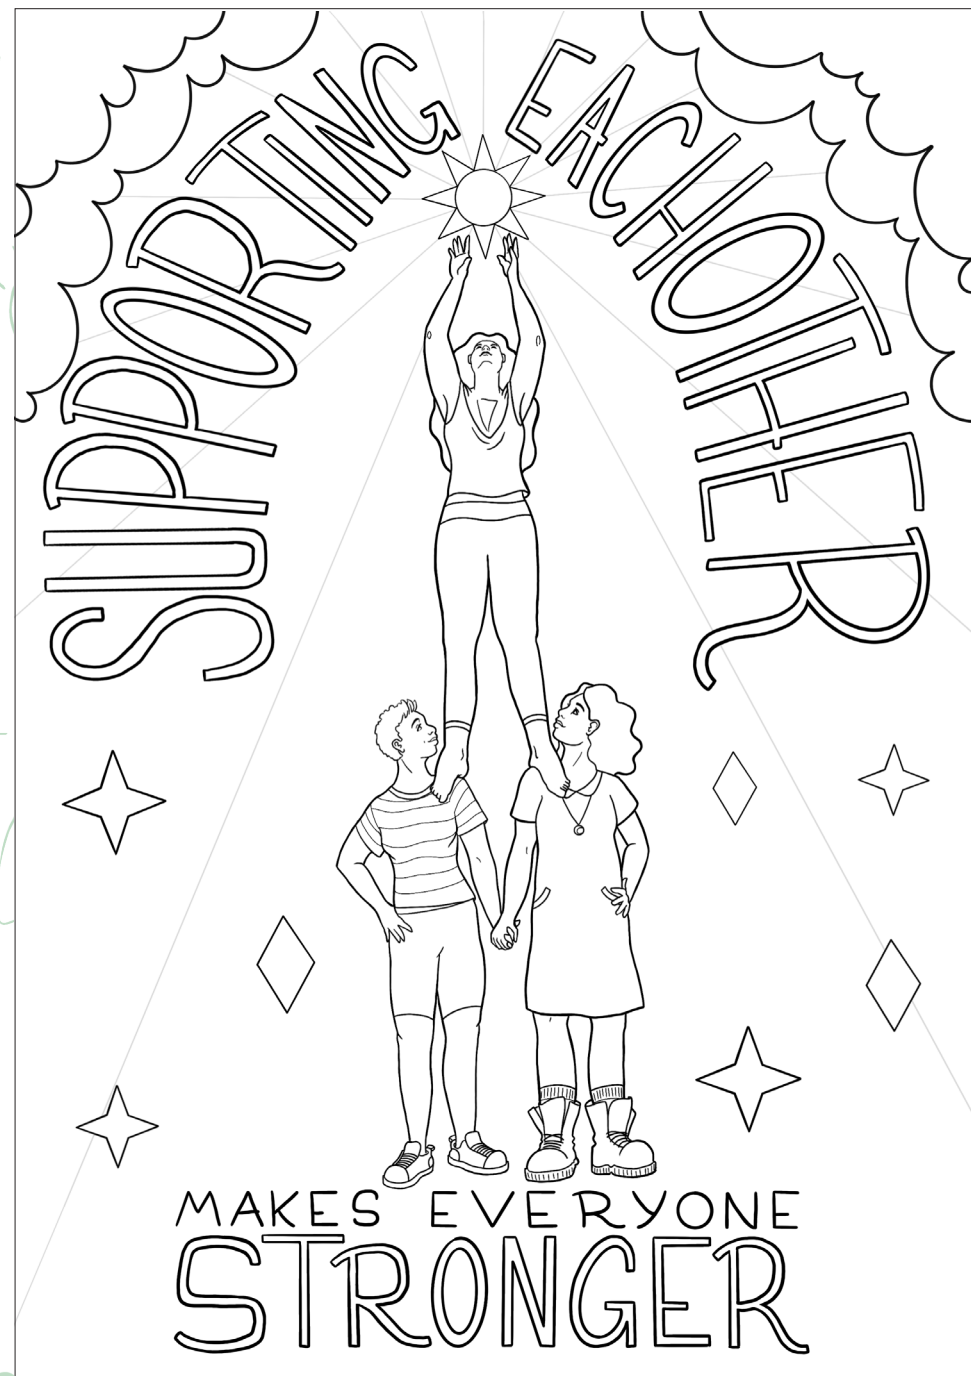

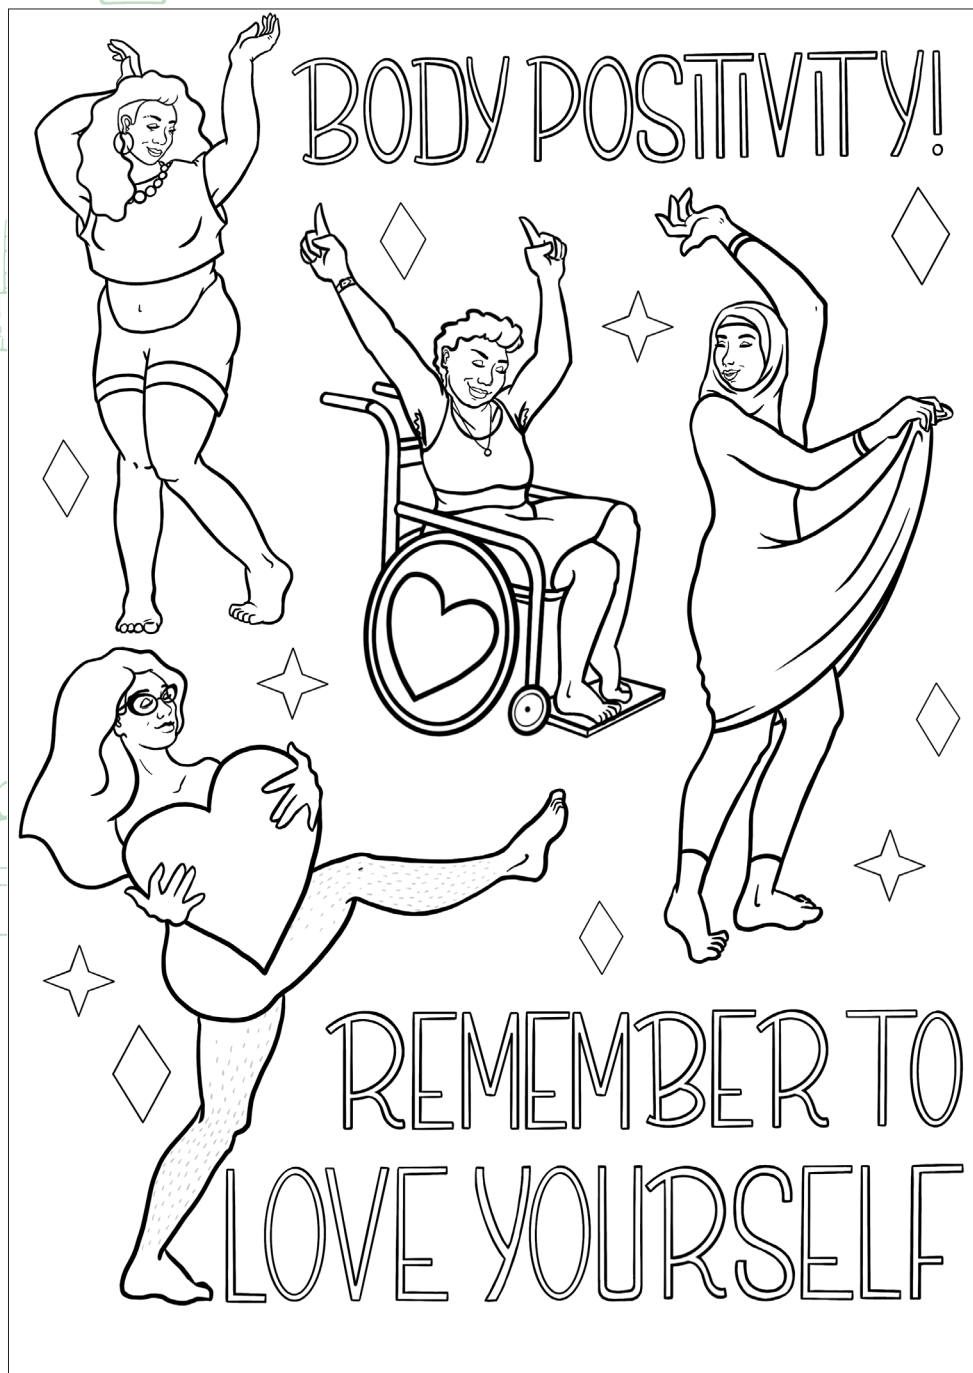

Dear future self,
